

## Congresses, Trade Fairs, Lectures

as exhibitor and/or lecturer:

- **2016 EUMETSAT Meteorological Satellite Conference**, Darmstadt, Germany, September 2016
- **2016 Understanding Risk**, Vienna, Austria, January 2016
- **2014 EUMETSAT Meteorological Satellite Conference**, Genf, Switzerland, September 2014, exhibitor
- **MetExpo 2013**, Brussels, Belgium, October 2013, exhibitor
- **2013 EUMETSAT Meteorological Satellite Conference**, Vienna, Austria, September 2013, exhibitor
- **2013 WMO Conference**, Genf, Switzerland, Mai 2013
- **MetExpo 2012**, Brussels, Belgium, October 2012, exhibitor and speech 'Interoperability'
- **2012 EUMETSAT Meteorological Satellite Conference**, Sopot, Poland, September 2012, exhibitor
- **MetExpo 2011**, Brussels, Belgium, October 2011, exhibitor
- **2011 EUMETSAT Meteorological Satellite Conference**, Oslo, Norway, September 2011, exhibitor
- **2010 EUMETSAT Meteorological Satellite Conference**, Cordoba, Spain, September 2010, exhibitor
- **2009 EUMETSAT Meteorological Satellite Conference**, Bath, UK, September 2009, exhibitor
- **2008 EUMETSAT Meteorological Satellite Conference**, Darmstadt, Germany, September 2007, exhibitor
- **2007 EUMETSAT Meteorological Satellite Conference**, Amsterdam, Netherlands, September 2007, exhibitor
- **2006 EUMETSAT Meteorological Satellite Conference**, Helsinki, Finland, June 2006, exhibitor

- **2005 EUMETSAT Meteorological Satellite Conference**, Dubrovnik, Croatia, September 2005, exhibitor
- **2004 EUMETSAT Meteorological Satellite Conference**, Prag, Czech Republic, June 2004, exhibitor and speech 'An effective research tool kit for the analysis of MSG data'
- **2003 EUMETSAT Meteorological Satellite Conference**, Weimar, Germany, September 2003, exhibitor, [Award Best Software](#)
- **1998 4th Int. Winds Workshop**, Saanenmöser, Switzerland, October 1998, product presentation and speech 'Operational Nowcasting Based on Satellite Cloud Motion Winds'
- **1998, Air Traffic Control Exhibition**, Maastricht, Belgium, February 1998, exhibitor
- **1998, AustroControl Fortbildungsseminar für Flugmeteorologen**, Vienna, Austria, February 1998, speech and presentation
- **1998 Meteorological Satellite Data Users Conference**, Paris, France, 1998
- **1996 Meteorological Satellite Data Users Conference**, Vienna, Austria, September 1996, exhibitor, poster presentation and co-author of the speech 'Towards Automatic Meteosat Image Interpretation'
- **1996 3rd Int. Winds Workshop**, Ascona, Switzerland, June 1996, product presentation and speech 'Operational Extraction and Application of Real-Time Water Vapour Winds'
- **1994 10th Meteosat Scientific Users Conference**, Cascais, Portugal, September 1994, product presentation
- **1994 ÖAGM Mustererkennung**, Vienna, Austria, September 1994, seminar lecture and presentation for digital image processing and parallel computing technology
- **1994 Eumetsat Beitrittsveranstaltung**, Vienna im Palais Ferstel, Austria, March 1994, product presentation
- **1994 UNO Ausstellung**, Vienna, Austria, June 1994, Initiative of the United Nations Office for the Environment, Topic: International Cooperation in Utilizing Benefits of Space Technology for Improving Live on Earth and for Protecting the Environment
- **epp '93**, Use of parallel computing systems in industry and research, Cooperation of the Österr. Computer Gesellschaft, TU Vienna, Schweizer Informatiker Gesellschaft and GI Paris, Vienna, Austria, February 1993, speech and presentation
- **1993, 2nd Int. ACPC Conference**, Congress of the Austrian Centre for Parallel Computation, Gmunden, Austria, October 1993, product presentation and speech 'CineSat - Multiprocessor Realtime Satellite Image Processing'
- **ILA 1992**, International Aviation Exhibition, Berlin, Germany, 1992, exhibitor, product: CineSat - Satellite Image Processing
- **VIET '91**, International trade fair for industrial electronics , Vienna, Austria, 1991, exhibitor, product: Industrial image processing
- **1991, ACPC**, 1st Int. Conference of the Austrian Centre for Parallel Computation, Salzburg, Austria, October 1991
- **EUROMICRO '91**, Symposium with a focus on Hardware and Architecture, Design Automation, Software Engineering, Parallel and Signal Processing, and Systems Control, Vienna, Austria, September 1991
- **1991, 11th EARSeL Symposium**, European Association of Remote Sensing, Graz, Austria, July 1991
- **ECHTZEIT '91**, Congress for real-time data processing in automation, measurement technology and simulation, Sindelfingen, Germany, June 1991
- **1991, COMETT II**, Seminar and Workshop on industrial application of parallel computer systems , Graz, Austria, 1991, presentation and speech 'Transputer in der Automatisierungstechnik'

- **Hannover Messe Industrie 1991**, exhibitor, product: Real-time Hardware-in-the-Loop Simulator as a function testing system for car electronics, **Award Microtronic Application '91**
- **Swiss Computer Graphics '91**, Congress, Zürich, Switzerland, January 1991
- **UTEC 1990**, 4. Congress for environmental technology, Linz, Austria, November 1990, speech 'Parallelrechner-unterstützte Luftschadstoff Ausbreitungs- und Prognosemodelle'
- **1990, 6. Symposium Simulationstechnik**, Vienna, September 1990, exhibitor and speech 'Parallelrechner und Transputer zur Simulation und Prozeßvisualisierung'
- **RISC '90**, Karlsruhe, Germany, 1990, speech 'Simulation und Prozeß-visualisierung auf Transputersystemen'
- **1990, Management-Tagung der Österreichischen Bundeswirtschaftskammer** on the topic of new technologies - computer-simulated manufacturing process, Vienna, Austria, June 1990, speech 'Simulation in der Anlagen- und Produktionsplanung'
- **1990, Videobus Konferenz**, Symposium, Hamburg, Germany, 1990
- **Hannover Messe Industrie 1990**, exhibitor, product: Simulator with connection to the process control, Hardware-in-the-loop demonstrator
- **Hannover Messe Industrie 1989**, exhibitor, product: 'Dream Factory' - Simulation of production processes with real image animation in real-time
- **Interkama 1989**, Düsseldorf, Germany, November 1989, Tools, product presentation: simulation system
- **1989, GEPARD Parallelrechner Seminar**, organizer GEPARD, Vienna, Austria, 1989, user-oriented seminar with international participation
- **1989, Parallelrechner Workshop**, Karlsruhe, Germany, June 1989, speech 'Praktische Anwendungen von Multi-Prozessor-Systemen'
- **1988, Impuls Parallelrechner Seminar**, Vienna, Austria, September 1988, speech and demonstration of the two, Europe-wide first successful applications in the field of parallel computing
